Dear Jim,

Please accept this request to relinquish our CLEC status and to cancel our Tariffs. We have never activated this segment of our business and therefore have no customers in Kentucky. If it would be helpful to know, the effective date was 11/06/2004.

If you should need any additional information, please don't hesitate to reach me at the number above or email to: thites@iccgh.com.

Sincerely,

Timothy R. Hites
President
